Ciao!

After a recent trip to Sicily, I fell in love with the place. The local cuisine (caponata and cannoli are THAT good), the rich cultural history, and the wines impressed me so much I partnered with the Wines of Sicily on an upcoming Twitter Tasting. Actually, we prefer to call it a **Twitter Party** because that's the essence of Sicily – capturing the fun of life. Enclosed is a three-pack of wines including Grillo, Frappato, and Nero d'Avola. Each of these grape varieties is unique to Sicily. During the tasting we'll discover what makes Sicilia DOC wines so special. I look forward to virtually sharing a glass – or three – on Thursday, November 3 from 4-5pm PST/7-8pm EST. Please pass along the **#WinesOfSicily** hashtag with your audience and encourage them to grab a bottle and join us.

Saluti! Leslie
